PROFILE OF THE COLLEGE

The New College is a Government - Aided Muslim minority College affiliated to the University of Madras. It was founded by the Muslim Educational Association of Southern India (MEASI). Since its founding in 1951 with about 200 intermediate course students, The New College has rigorously upheld commitment to providing quality Higher Education to the deserving students, especially from weaker sections of the society. The college is currently run by a Managing Committee of the MEASI under the Chairmanship of H. H. Nawab Mohammed Abdul Ali, Prince of Arcot.

On our beautiful campus on Peter's Road, Royapettah, Chennai, about 5000 students pursue their intellectual passion through more than 35 academic programmes. The New college campus also houses three other institutions run by its parent body viz., MEASI Academy of Architecture, MEASI Institute of Management and MEASI Institute of Information Technology.

Although the college and its allied institutions were established with a view to educationally empower students belonging to the Muslim community in Tamil Nadu, the college has students and teachers from different communities and from almost all parts of India. We have a few students from abroad as well. There is provision for nearly 500 students to reside in the College campus. The parent body of the college uses a major share of income every year to give scholarships to students from economically less privileged families. Although the management of the college mainly depends on the contributions generous philanthropists from the community for its working capital, it has always strived to provide adequate infrastructure facilities for the college to meet the challenges of the changing times.

The college campus is equipped with all necessary facilities for the all-round development of students including playground, Hostel, fitness centre, Staff Lounge, Library, Canteen, Wi-Fi internet connectivity and so on. Students' Union elections are conducted every year to select student representatives and to inculcate values of democracy in students. The college has two active units of NCC. The units of NSS, Rotoract Club, Youth Red Cross and other social service initiatives of the college won several accolades from different agencies including Chennai city police and health department for their services. There is a mosque in the college campus which is open for all for worship and meditation.

The Diamond Jubilee block, the latest addition to the buildings in the campus, is mainly meant for setting up a Digital Library and Resource Centre. The college has been securing many major projects from the UGC and other agencies, and has always endeavoured to produce quality research works. Numerous research papers and books are published by our faculty every year.

The New College became autonomous in the year 2007, and it is recently re-accredited by NAAC with 'A' Grade (3rd Cycle). Autonomy has enhanced us to periodically update our curriculum, and offer courses that are relevant to the times and aimed at enhancing employability of students. During its existence in the past 67 years, the college has produced about 75,000 graduates, many of whom have excelled in their chosen fields. The college continues to extend its services to the nation by means of adopting healthy practices and dedicated efforts to ensure quality of education.

Placement Cell and Career Guidance Cell

The Career Guidance Cell at The New College functions under the direct control and directions of the Principal of the College. A team of Professors nominated by the Principal, work together to guide the students on Career opportunities.

The objective of the cell is to identify the talents available among the students of this College and nurture and harness them further and offer guidance to choose a bright and right career.

The activities of the cell include collecting the database of the students and compiling them for use when needed. The cell facilitates the students to improve their skills to face various competitive exams such as civil service exams conducted by UPSC and TNPSC. The Career Guidance Cell organizes seminars and meetings to encourage the students to plan their future. Above all, the main function of the cell is to invite reputed companies to the campus to conduct campus interviews and find suitable jobs for the skills available among the students.

The cell also facilitates the economically weaker sections of the students of first and second year undergraduate courses to find suitable part time jobs to supplement the family income without affecting the academic pursuit.

College Hostel

The Hostel Committee will consist of the Principal, the Deputy Warden and two Senior Members of the Staff nominated by the Principal. They will hold atleast one meeting every month to pass the accounts, to formulate policies as regards maintenance of the discipline etc., The committee will be assisted by the resident superintendents, who shall be the member of the college staff.

The Hostel shall be under the direct control of the Principal of the college who is the ex-officio warden of the hostel. Subject to the approval of the warden, the Dy. warden shall make by-laws for the effective internal management of the hostel.

Students who want accommodation in the hostel should obtain the necessary application form from the hostel office on payment of Rs.500/- and apply after getting admission in the college and enrolled therein. Students joining hostel shall pay the following fees.

Central Library with Wi-Fi facility

The New College Library has been emerging as a Knowledge Resource Centre mainly catering to the needs of the Faculty, Administrative Staff, Research Scholars and Students towards accessing information. The Library has been shifted to a spacious and easily accessible area in the new Diamond Jubilee Building. **Our library is housed in a hall of 18000 sqft with good infrastructure and ambience. There is a regular subscription to leading Newspapers, Magazines and Journals thereby augmenting the library as a rich source of knowledge.** The feedbacks from users of the Library testify that they have always cherished memories of having availed the services of this treasure-house of knowledge in the past decades.

பெற்றோர்களின் கவனத்திற்கு

கல்லூரியில் பிள்ளைகளைச் சேர்ப்பதோடு பெற்றோரின் பொறுப்புகள் முடிந்து விடுவதில்லை. கல்லூரிக்கு உள்ளேயும் வெளியேயும் பிள்ளைகளின் படிப்பிலும் நடத்தையிலும் பெற்றோர்கள் அதிகக் கவனம் செலுத்தி மாணவர்களின் முன்னேற்றத்தில் கல்லூரி நிர்வாகத்துடன் முழுமையாக ஒத்துழைக்க வேண்டும்.

கல்லூரியில் சேர்ந்துவிட்டால் மட்டும் மாணவர்கள் தாமாகத் தேர்ச்சி பெற்றுவிட மாட்டார்கள். வருகைப்பதிவு, அக மதிப்பீட்டுத் தேர்வு, மாதிரித்தேர்வு, பருவ இறுதித் தேர்வு ஆகியவற்றில் மாணவர்கள் பெறுகின்ற அதிக மதிப்பெண்கள், செம்மையான எதிர் காலத்தை உருவாக்கித்தரும். கல்வியோடு தொடர்புடைய பிற துறைகளிலும் மாணவர்கள் ஆர்வத்துடன் பங்கேற்க வேண்டும். திட்டமிட்ட உறுதியான உழைப்புதான் உயர்ந்த வெற்றியையும் தொடர்ந்த முன்னேற்றத்தையும் வழங்கும். அதனால் பெற்றோர்கள் துறைத்தலைவரையும், கல்லூரி முதல்வரையும் அடிக்கடி சந்தித்துத் தங்கள் பிள்ளைகளின் கல்வி முன்னேற்றம் குறித்து அறிந்து கொள்ள வேண்டுகிறோம்.

For the attention of parents

This is to bring to the kind attention of the parents / guardians that their responsibilities do not cease with the admission of their children / wards in The New College. While continuing to evince keen interest in the progress of their children / wards in studies and in their conduct in and outside the college, they should extend every co-operation to the authorities of the college, in the education and welfare of their children/wards. Mere admission of the college does not guarantee an automatic pass in the semester examinations. Students should realize that their academic achievements and employability depend on their attendance, conduct and good performance in CIA (Continuous Internal Assessment), Model and Semester Examination. They should actively participate in the co-curricular, extra-curricular and extension activities. Only sustained and systematic hard work will be the key to their continued progress and ultimate success. In this regard, you are advised to meet the Head of the Department and Principal regularly to ascertain the academic progress of your son / ward.
